

Vox's vote and its access to regional government

Regions resized by Vox's vote there: larger where Vox did better than its own average

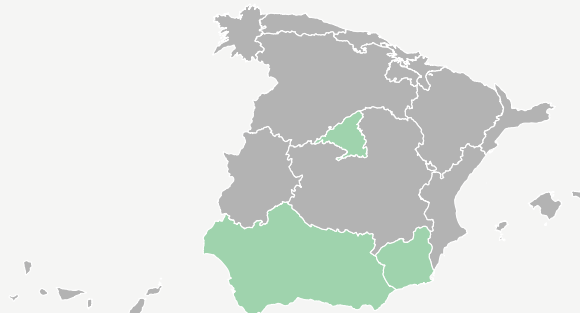

2014–2017

December 2015 and June 2016: 0.2% and 0.2%

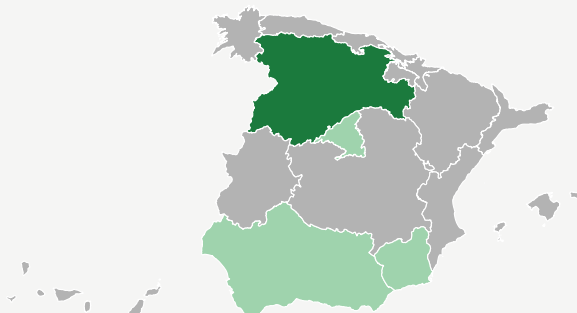

2018–2019

April 2019 and November 2019: 10.3% and 15.1%

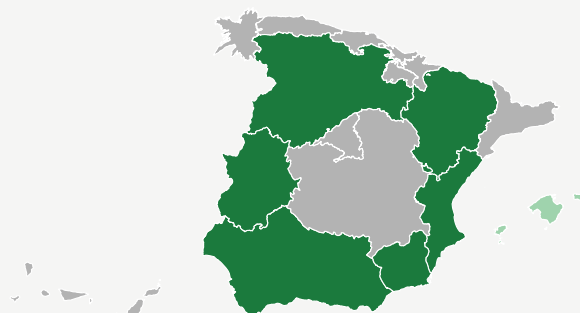

2020–2022

November 2019: 15.1%

2023–2026

July 2023: 12.4%

Vox in the government

PP government that needed Vox's votes

Neither

Size: area of the region times Vox's share of the valid vote in the general elections of the phase, relative to its national share (a region where Vox did not run keeps 5% of its size).

Colour: Vox held a post in the regional government, or its votes were needed to invest a PP president, at any point of the phase. Source: Ministry of the Interior (infoelectoral). Canary Islands moved next to the peninsula.
